Challenge

A photograph of a child standing on a long, wide flight of stone steps. The steps are made of light-colored stone and lead up to a wall of large, rectangular stone blocks. The child is wearing a hat and a backpack, looking down at the steps. The scene is brightly lit, with a strong shadow cast on the wall behind the child.

Šuma Čovjek räumen mit den Klischees des klassischen Balkanpops auf. Die Schweizer mit Migrationshintergrund singen auf Französisch, Kroatisch und Arabisch. Die Sprachen fließen so harmonisch ineinander, dass mensch das Gefühl hat, sie alle zu verstehen. Das liegt sicher nicht zuletzt an den liebevoll arrangierten Songs: melancholische Balladen, rhythmische Pop-Rock-Stücke und Rap-Tracks, gespickt mit furiosen Bläusersätzen.

The Dark Tenor - Classic Roxx Tour 2023

Member-Reservation

Endlich! 2023 wird Billy Andrews aka The Dark Tenor das erste Mal seit zwei Jahren wieder Konzerte in voller Bandbesetzung in der Schweiz geben. Schon immer ging es bei The Dark Tenor um die Verschmelzung von grossem Rock, hymnischen Popmelodien und wahrer klassischer Musik: Ein Konzept, das sich erst auf den angesagtesten Bühnen des Landes zu voller Grösse entfalten kann: Genau dort gehört seine Musik und die beeindruckende Bühnenshow hin.

Das allein ist also schon Grund genug, mit dem ausgebildeten Tenor und notorischem Überwinder von künstlerischen Grenzen die Musik zu feiern. Doch für alle Fans hält er 2022 eine besondere Überraschung bereit: Die Maske ist zurück! Sein alter Ego, das Phantom lebt und wird sich mit Billy Andrews die Szenen auf der Bühne teilen. Ein Bühnenerlebnis, welches mit unser aller Zerrissenheit zwischen Schatten und Licht spielt und in einer epochalen Show und gewaltigen Songs ihren Ausdruck findet. Es werden unvergessliche Abende, die den Namen «CLASSIC ROXX» mehr als verdienen.

The Dark Tenor wird dabei wieder seine besondere Vision einer neuen, faszinierenden Welt der Klassik, eingepasst in die Moderne präsentieren. Angetrieben vom leidenschaftlichen Wunsch, sein Publikum das empfinden zu lassen, was die grossen Komponisten sich vor Jahrhunderten vorgestellt haben, als die Originalkompositionen entstanden. Diese alten klassischen Stücke kommen aus einer Zeit, in der das Erlebnis der Musik eine bedeutende Erfahrung war; sie stammen aus einer Welt, in der es noch keine Beschallung an jeder Ecke gab und Konzerte heilig waren. Diesen Anspruch, mit modernen Mitteln die grenzenlose Liebe zu den Originalkompositionen jedem Zuhörer näher zu bringen ist die Aufgabe, die sich Billy Andrews stellt.

A multi-level library with wooden bookshelves and a central staircase. The word "Pages" is overlaid in white text on the left side. The library has several levels connected by a wooden staircase with black metal railings. The shelves are filled with books of various colors. There are some signs on the shelves, including "小心台阶" (Caution Stairs) on the steps and "HBC" on a shelf. The lighting is warm and focused on the central staircase area.

A photograph of a tree trunk with a large, realistic sculpture of a hand gripping it. The hand is carved from wood and is positioned as if holding the tree steady. The tree's bark is thick and textured. In the background, there is a paved walkway, a bench, and a white van. The scene is outdoors with sunlight filtering through the leaves.

This will be solved by "app" given that the built-in i18n feature will go away in favor of new core APIs that allow full flexibility for the i18n case. There were a lot of different requests regarding i18n, many opposing each other as every company does i18n differently.

A young boy with a joyful expression is sitting on a wooden bench outdoors. He is wearing a blue and green plaid shirt, light-colored shorts, and a maroon cap. He is holding an open book on his lap and laughing heartily with his mouth wide open. The background is a bright, sunlit outdoor setting with trees and a grassy area, creating a warm and happy atmosphere.
